

4 metre (13') Star Crawler 6 Electric Scissor on Trax

Brand:
Weight: 1,175.00kg

Price: \$175.00

Short Description

The new Star 6 Crawler offers **excellent terrain capabilities**, providing the operator easy access to all jobsites. The **crawling system** not only enables the mast to go over the roughest terrains, but also significantly reduces the ground pressure, which is essential for driving on sensitive floors. **It operates both indoor and outdoor, up to 6 m working height.**
